

The Espanola & Area Family Health Team is currently recruiting a Full-Time Social Worker. The successful candidate will have familiarity with the health issues of the community and will work collaboratively with other primary care providers to improve the health of the patients' accessing services through the Family Health Team.

This position offers a competitive compensation package including paid vacation and sick leave, health and dental benefits, life insurance and pension plan. The starting wage for this position is \$33.67 – 38.03 per hour depending on experience.

Responsibilities Include:

- Complete assessments and make recommendations for care of patients and families with mental health issues.
- Provide individual and group counseling, support and treatment in accordance with medical treatment plans. Modify treatment plans according to therapeutic goals.
- Prepare psychosocial case history, assessment and social work treatment plans for use in screening and diagnosis.
- Liaise with community partners to develop services and programs that meet the needs of the community and improve patient care, service delivery and coordination.
- Develop, facilitate and evaluate workshops, programs and services.
- Participate in mobilizing resources in the community, maintains cooperative working relationships with community agencies.
- Work collaboratively with other FHT staff to improve patient care, service delivery and coordination.
- Act as patient advocate to problem solve and ensure health care needs are met with internal and external providers.
- Maintain patient charts in the EMR.
- Support patients by making appropriate referrals within the Family Health Team.
- Model and promote a positive team based work environment and maintains confidentiality. Attend/participate in team meetings and lunch and learn opportunities.
- Perform other related duties as assigned.

Qualifications:

- Current registration in good standing with the College of Social Workers of Ontario
- M.S. W. preferred or B.S.W. with 3 years clinical experience
- Demonstrated experience working in community setting or primary care setting
- Knowledge of the principles, procedures, trends of clinical social work.
- Experience with dispute resolution and crisis management
- Demonstrated ability to problem solve effectively and independently
- Demonstrated ability to work effectively within an interdisciplinary team
- Strong interpersonal and communication skills
- Possess a driver's license and reliable vehicle

- Fluency in English and French is an asset

To apply in confidence, please forward your resume together with a cover letter outlining your relevant experience and qualifications to:
