Finance Manager

We are currently looking for a permanent full-time Finance Manager. The successful candidate will play an integral role in the development of the annual operating budget while providing leadership and support to the finance team. Reporting directly to Chief Financial Officer, the Finance Manager must be a highly motivated individual who demonstrates superior management and technical skills combined with an attention to details.

As an innovative and creative leader, the successful candidate will foster and support a team environment to ensure the attainment of our organization objectives; will act as a role model for all staff and promote the reputation of the facility in the community.

The Espanola Regional Hospital and Health Centre is an equal opportunity employer committed to inclusive, barrier-free recruitment and selection processes. If contacted for an employment opportunity, please advise if you require an accommodation.

Thank you for your interest. Only applicants who have been selected for an interview will be contacted. This position will remain open until filled.

Qualifications:

Qualified candidates will have 5 years accounting experience, including financial statement preparation in accordance with GAAP, with the minimum of a three-year post-secondary accounting program. Preference will be given to candidates with experience working in a hospital setting with knowledge in MIS standards/Ontario Hospital Reporting guidelines and enrolled in a certified professional accountant program. Bilingualism in French and English is an asset but not required.

Position Summary:

The manager will be responsible for all functions, processes and activities related to the Finance department. The Finance department prepares and reports the financial information for the Espanola General Hospital, Espanola and Area Family Health Team, Town of Espanola Non-Profit Housing Corporation and the Espanola General Hospital Foundation.

The manager ensures the financial and statistical information is reported accurately, completely and on time to those who request or require the information which would include, but not limited to, government agencies, managers, and board members.

The Manager will ensure the department runs appropriately with proper controls in place and updated policies to ensure the utmost confidence in the reported information. This includes the safeguarding of equipment and assets of the corporations records are kept.

Benefits:

This position offers a competitive compensation package including paid vacation and sick leave, health and dental benefits, life insurance and pension plan. Starting wage is \$41.94 to \$47.20 depending on experience.
