

ESPANOLA REGIONAL HOSPITAL AND HEALTH CENTRE

Clinical Behavioural Specialist

We are currently looking for a permanent full-time Clinical Behavioural Specialist for our Long-Term Care facility. This position will be primarily based out of the Espanola Nursing Home and Manitoulin Centennial Manor with potential travel to other Long-Term Care homes as required. The successful candidate is responsible for the provision of specialized behavioural services to Long Term Care residents at both the Espanola Nursing Home and Manitoulin Centennial Manor. The incumbent will embody compassionate person-focused shared-care as in line with best practice principles and frameworks such as the Recovery philosophy; P.I.E.C.E.S./U-FIRST!, Frameworks; Gentle Persuasive Approaches (GPA) in Dementia Care and Montessori-based Dementia.

Reporting directly to the Director of Care, the successful candidate will demonstrate a commitment to the organization's values and ensure the safety of fellow workers, patients, volunteers, visitors, self as well as promote an inclusive culture that meets the diverse needs of the given population.

Qualified candidates will possess a diploma or degree in a related Health Science. Registration with the College of Nurses of Ontario is preferred. Training in Geriatrics/Gerontology would be an asset. Experience working in a Long-Term Care facility is required. Bilingual in French and English would be an asset.

Please submit your resume and cover letter in confidence to:
