ESPANOLA REGIONAL HOSPITAL AND HEALTH CENTRE

Chief Nursing Officer/Director of Clinical Services

We are currently looking for a permanent full-time Chief Nursing Officer/Director of Clinical Services to join our Senior Management Team. The successful candidate will be responsible for the provision, operation, evaluation, and development of clinical services and support departments. The successful candidate will be an integral part of our Senior Management team, involved with the planning and implementation of healthcare services and programs. Reporting directly to the Chief Executive Officer, the Chief Nursing Officer/Director of Clinical Services is a highly motivated individual who demonstrates effective planning and management skills combined with exceptional problem solving and change management abilities.

As an innovative and creative leader, the successful candidate will be responsible for promoting a team environment to ensure the attainment of our organization objectives and will lead the development of new directives and/or programs that would enhance the effectiveness of quality patient care. In addition, they would act as a role model for all staff and promote the reputation of the facility in the community.

Qualified candidates will possess a related baccalaureate degree and will be registered in good standing with the College of Nurses of Ontario as a Registered Nurse. Advanced hospital management experience, excellent communication and strong interpersonal skills are required. A related master's degree and/or health management program is preferred.   Bilingual in French and English would be an asset.
