COVID-19 Protocol

Things to know when coming to our hospital

All outpatient services require an appointment – (Lab, X-ray, Physio, Cardiac Lab & Specialist Clinics)

Please **do not** come to the hospital with your requisition to make an appointment in person as you will be redirected to call from home.

To maintain a good patient flow and reduce numbers in waiting areas, **do not** come more than 10 minutes before your appointment. If you do, you will be asked to wait outside

Every person entering our facility must:

- Be screened
- Wear a mask
- Sanitize hands

If you do not wish to comply with these protocols you will be denied access.
