Manager of Rehabilitation

We are currently looking for a **Full-Time Manager of Rehabilitation** to work in both an inpatient and outpatient setting. The successful candidate will be responsible to oversee the day-to-day operations of the Rehabilitation department as well as carrying a partial Physiotherapy caseload, providing high-quality clinical services within their professional scope of practice including assessment, intervention and documentation. Reporting directly to the Vice President of Clinical Services & Chief Nursing Officer, the successful candidate is a highly motivated individual who is client-centered and passionate about improving the health and wellbeing of our community.

The successful candidate will foster and support a team environment to ensure the attainment of our organization objectives and will act as a role model for all staff and promote the reputation of the facility in the community.

The Espanola Regional hospital and Health Centre is an equal opportunity employer committed to inclusive, barrier-free recruitment and selection processes. If contacted for an employment opportunity, please advise if you require an accommodation.

Thank you for your interest. Only applicants who have been selected for an interview will be contacted. This position will remain open until filled.
