

**ESPANOLA REGIONAL HOSPITAL AND HEALTH CENTRE**  
**Temporary Full-Time Infection Control / Occupational Health Lead**  
**Approximately 12 months in duration**

We are currently looking for a Temporary Full-Time Infection Control/Occupation Health Lead. The successful candidate will be responsible to act as a facilitator to reduce the risk of infection and minimize infection transmission within the facility. This role provides ongoing expertise, consultation, surveillance, education, research and evaluation of infection prevention and control processes and procedures to departments and programs. The successful candidate will be the lead resource in infection prevention and control. This role provides health promotion, collaborates with frontline staff, managers, ancillary support staff, volunteers, medical staff, and external partners.

This position offers a competitive compensation package including paid vacation and sick leave, health and dental benefits, life insurance and pension plan. The starting wage for this position is \$49.14 – \$55.31 per hour depending on experience.

**Qualifications:**

Post-Secondary Education in a Health Related Field

Current Certificate of Registration with applicable Governing College/Regulatory Body

Three years related experience in Infection Prevention and Control and management in hospital setting preferred

In-depth knowledge of current IPAC best practices, legislation and reporting requirements

Demonstrated effective leadership and management skills required

Demonstrated facilitation abilities when presented with challenges experienced in the health care setting required

Bilingualism (French and English) an asset

To apply in confidence, please forward your resume together with a cover letter outlining your relevant experience and qualifications to:
